

Jade Series

Three characteristics define the Jade series: safety, versatility and careful design.

The wide variety of sizes and models in which it is presented make these safes ideal for both domestic and business environments. With the latter in mind, models with a slot have been designed, which allow cash or documentation to be inserted without the need to open the safe door.

The aqua blue color of its interior contrasts with the gray exterior in perfect harmony, giving it a very aesthetic appearance.

E-40 RA

Double bitted keys
and emergency key.

Interior lighting with
energy saving LEDs

E-27 RA

Features

| | |
|------------------------|---|
| Door thickness: | 6 mm. |
| Body thickness: | 4 mm. |
