Ópalo Series

E-70

Security and design come together in the Ópalo series of safes. Thanks to its robustness and the 25 mm diameter rotating bolts, distributed around the entire perimeter of the door, the Ópalo series is ideal for homes and businesses.

The E-40 RA model has a slot to insert valuables and documents into the safe without having to open the door.

Interior lighting with energy saving LEDs.

Bolt housing detail in the safe frame.

Height adjustable trays.
