

Zafiro Series

ZA E-56

The Zafiro series stands out for its resistance and its intense blue color. Built in steel, Zafiro safes have 8mm thickness in frame and door and 4mm in body that provides a high level of security.

Ideal for use in homes and businesses: its dimensions are specially designed to accommodate A4 size documentation (models with 30 cm depth), and has slotted models. They include automatic interior lighting.

Its polished finishes and modern aesthetics make the Zafiro series essential.

How does it work?

Interior lighting with energy saving LEDs

Detail slot in RA models.
Slot measurements: 150 x 16 mm.
